2. INFORMATIONAL NOTE:

In accordance with Solicitation # 31701-03064, Section 5.7.3, the Comptroller of the Treasury has approved the contracts that resulted from the recent negotiations with potential Proposers. The State will e-mail to each potential Proposer the final versions of the negotiated contracts for Infrastructure

and Print Services Disaster Recovery Services. Proposers must include these final versions with their submitted Technical Proposals.

Do **not** sign or include any pricing information in the contracts that you return with your Technical Proposal.

In addition, **please note the revised Proposal Deadline**, as well as other revised dates, in the above Schedule of Events.
